Shady Side Academy

Pittsburgh, Penna.

GEORGE LITTLE FOLLANSBEE, Litt. D.

A.B., Princeton University, 1934; Litt. D., Washington and Jefferson, 1958.

President of the Academy and teacher of Religion.

Former teacher at Philips Andover School. Coach of varsity baseball. Advisor to Student Council and Saint Andrew's Society.

Foreword

Within the pages of this book will be recorded much of the record of a rather remarkable class as well as a successful school year. That others besides the Senior Class helped to make the year successful will be seen in the review of the clubs, the teams and the multitude of activities portrayed here. Certainly no school or no year could be judged successful without the help and cooperation of many — the students, faculty, and entire staff.

To the class of 1959 must go congratulations and sincere thanks. Entering the Senior School five years ago, they observed a low period in many areas, especially athletics. Then and there they vowed that when they became upper classmen, they would see to it that the school would regain again the prestige of former years. That they have done so can be seen from their record of the past two years. Better than average scholastically, strong athletically, participating well in extra-curricular activities, they will look back on their years at the Academy with pride and with a sense of accomplishment.

"Semper Fide Vincere"

Dedication

This year Mr. Vorce completes his twenty-fourth year as a language teacher with the Arnold and Shady Side Schools. A recipient of degrees from universities in the United States, France, and Mexico, he has translated several books by William Faulkner and Thomas Wolfe into French. His efforts were rewarded when the French version of Wolfe's *From Death to Morning* was awarded Le Prix Denyse Clairouin as the best translation into French in 1948. An avid follower of the fine arts, he enjoys modern art and literature, is a regular attender of Carnegie Tech dramatic productions, and possesses a wonderful collection of classical and contemporary records. A "bon vivant" in the truest sense of the phrase, Mr. Vorce is quite famous for his gay week-end escapades. A longtime resident of Ellsworth House and a traditional fixture on Campus, he's well-known for his genial smile and obliging spirit. To you, Charles Preston Vorce, we dedicate this consummation of our efforts.

A Word From The Editors

Editors-In-Chief

W. McCook Miller

Allan McClain

What is the purpose of a yearbook? Is it a contest to see how many times an Editor can get his picture printed? Is it a source of glory for would-be campus B.M.O.C.'s? Is it a good way to dog athletics every day of the year? Regardless of the opinion of the **News** and others on campus, we think our purpose is a little higher than those above. First and foremost we must show what a year at Shady Side Academy is really like. The good as well as the bad, the studies as well as the dances, the activities as well as the athletics; all must be shown. Second we must reflect the spirit and feeling of the school. This cannot be done by merely recording the events as a newspaper, but rather by recording the expressions on the faces of the participants. The quiet smile of the face of a Sargon "tap," the strain of the runner two strides behind the leader, the shock as the student first reads his English final; these can be shown only through pictures. Thus the second purpose is more subtle, but just as important.

Now that we have stated the purpose, it is your task to evaluate this book. If we tried to tell of the many inefficiencies of the staff, the failings of our professionals, or the lethargy of the editors on spring afternoons the reader would think we were "spreading it a little thick," so we will refrain. Rather we will praise the good advantages we had. This year's staff had the unique problem of dealing with three schools instead of two, as was the case in the past. Both the Middle and Junior Schools were handled by Marty Hecklinger in a competent manner with a minimum of complaining and claiming the impossibility of the task. The copy throughout the book is the handiwork of the staff under our Copy Editor Jim Morris. Jim did one of the most capable jobs done in recent years, always handing in the copy on the proper sheets on the proper day. Our greatly enlarged advertising section is the work of Mark Aronson. The interesting and unique sports section is the work of Co-Editor Miller. If an award were to be given for the most pages and sections done, Co-Editor McClain would win; for his sections while for the most part routine were quite numerous. Enough for praising the staff.

Finally we wish to commend Mr. Sabin, who, in his first year at the Academy, stepped into the position of faculty adviser and has proven not only a valuable adviser but a true friend to the staff.

Have your fun and pass judgement on our book!

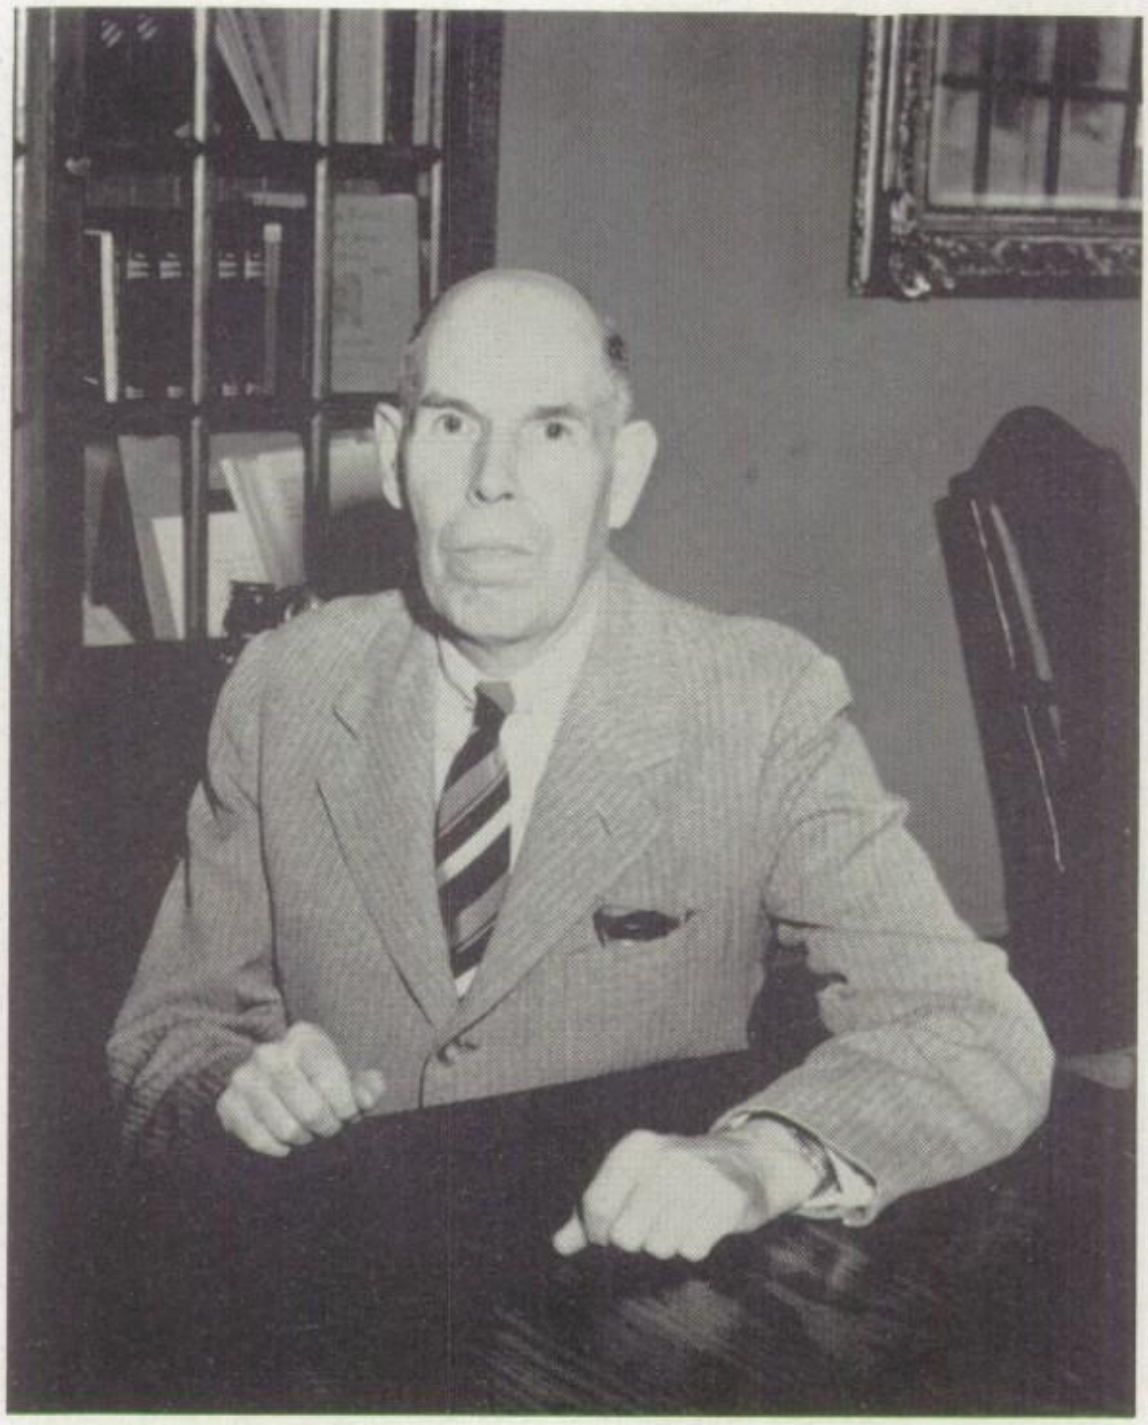
Check the smile on Bardonner's face.

Faculty



LOWELL INNES, B.A., Yale 1917, M.A. University of Pittsburgh 1925, Appointed 1920.

Headmaster, Teacher of English V, VI.

After having served many years as assistant headmaster, Mr. Innes was elevated to the post of headmaster when it was vacated by Mr. Follansbee. As headmaster of the senior school Mr. Innes' duties include not only those pertaining to policy and administration of the senior school, but also the job for which he is most noted, college counseling.

As in the past, Pete, as he is referred to affectionately by the faculty and not so affectionately by the student body, is Director and Chairman of the Glass Committee of the Western Pennsylvania Historical Society. His collection of early American glass is famous and has been written about in a prominent antique magazine.

Mr. Innes received an honorary M.A. from Bowdoin College in 1955

ARTHUR H. MANN, B.A., Wesleyan, Graduate Study at Yale; S.T.B. General Theological Seminary; Ed. M. University of Oklahoma.

Class Prophecy

I wonder if the Class of 1930 ever envisioned that a member of their class would be President of Shady Side Academy, or if the classes of 1945 and 1949 realized that Mr. Lynch and Mr. Vaux would be on the faculty. Not wishing to be guilty of this sin of omission, I would like to look ahead twenty years to 1979 when every member of the Class of 1959 will be on the payroll of Shady Side or connected with it.

At the head of our Administrative body is the school President, reserved, dignified, tactful, Gus Schroeder. Sandy Schumacher has become Headmaster in charge of curriculum; and as Assistant Headmaster in charge of College Admissions and welcoming visitors to campus is Roger Weigand. With all his practice in Dean-dodging, Spence Hirshberg makes an austere, and task-demanding Dean. Included also in the administrative body are the important positions of Public Relations, Business, and Secretaries. Mark Aronson as head of the business office has hired Mike Lieberman and Sam Leezer as Public Relations men. Dorn Johnstone, as corresponding Secretary, has subscribed to Dig and other Love Lorn magazines for the school replacing *Time* and *Newsweek*. Hired as Secretaries on the basis of excellence in penmanship, are Gray Sensenich and Dave Eynon. Telephone operator in Rowe Hall is Bob McIlrath, School Photographer is Bob Stevenson.

No school can do without an efficient board of Trustees, and I am sure that the students of 1979, of whom Bruce Hill is still Senior Class President, are grateful for their help. After the President of the Trustees had been appointed he changed his title to king — he is of course Ward Parshall. Assisting Mr. Parshall is a homogeneous group consiting of Tom Nash (elder statesman), John Duff (member of the bar), Tim Jacobs, Jeff Starz, and Casper Scnootz (Treasurer). Another group which is invaluable to Shady Side is the Mother's Association which is ably and glibbly dictated to by Archie Woodruff.

It had been said that the heart of a school lies in its faculty and its students — said by almost every commencement speaker. Fortunately, we are blessed with a very capable group of teachers. Teaching Latin 2A, Caesar, Cicero, and Roman Orgies is Tony Nicollette. Joe Kennedy, teaching History and coaching Golf, sometimes serves in the Dean's absence as "Dean for a Day." John Houston, as head of the English Dept. teaches a course in English Lit. as seen through the Westerns. Teaching History of Art with real live models is Ken Salmon. Ken's department Head Fred Parkin heads a combined course of Art, and Physics or Physics. The course of newts, lizards, and reptiles is taught of course by Newt Wycoff. Kent MacArthur is Professor of Amalgamated Studies at SSA which is the finest course of its type in the country. John Kight coaches brilliantly the Public Speaking teams. The Librarian, John Osthaus, besides efficiently lending books, profitably makes book; and while he is popular with the youngsters I am afraid he will not last. The school Chaplain and Religion teacher is Bob Harford. Rounding out the faculty is a resident writer, graduate of Harvard, Cambridge, and La Sorbonne, George Cass.

Every school must advance and progress. Shady Side, in light of the new endowment plan is no exception. I would not be too surprised if in twenty years Shady Side might become coeducational. In this case a new department would have to be created.

As Dean of Women, John Pitcairn does a tremendous job, having meanwhile a tremendous time. Guidance Counselor for the girls, Mr. Innes, co-operates with Jon Rothenberg, the House mother of the girls' dormitory. Tom Zener has been perennially trying to gain admission to this department but for obvious reasons has been rejected. A new course available for Senior boys and girls of etiquette and manners has been opened with the addition of Jim Morris to the faculty. In another field, to alleviate the crowded conditions on campus, Rick Taylor, the school Architect, is planning a faculty dormitory an inch in diameter and a mile high to house the narrow-minded faculty. Foster Goldman is the choreographer for the winter Follansbee's Follies to be held in the skating rink.

Athletics have always played an important part in Shady Side life. Football coach John Margolis, has predicted considerable prowess for his gladiators for the 1979 season. Also in the coaching line are Bill Emrich, piano playing Wrestling coach, and Pete Loxterman who hands out the equipment.

Without these next men the class history would not be complete and the school could not function. Serving luscious budget lunches, the dining hall under the supervision of Bill Monteith has achieved considerable notoriety. Lee Behrhorst is in the process of coming up through the ranks of his father's food business. Right now he is in the cooking line of the business, cooking those luscious, budget, Behrhorst lunches. Willis McCook Miller III is the Janitor of the Rowe Hall Basement who when he is not sweeping is buying Brook's Brother jackets. He is aided by Tom Anthony who takes care of the facilities in the Science Labs, and Parking Attendant John Bardonner. The friends of the Day Boys, the bus drivers, number four, Ed Byrnes, Dinks Hamilton, Jay Ruffner, and Mike Friedhoff. Any visitor to the campus will notice the well-kept shrubs and neatly-cut grass. This neatness is owed to Diamond Jim Bregenser, who in his flannels does the dirty work. Aiding Jim are two free-loaders, Jay Carson and George Eynon who do their gardening on the sly, you know — sneaky weeders. Unfortunately our story cannot be completely happy. Every class has its black sheep. Ours happens to be Alan McClain who is a cop on the 8 lane highway between Shady Side and Winchester, noted for his ugly lectures and frequent tickets.

Well that's all, except for me, who when the fickle mob gets through with me will be a resident of the Heinze Infirmary.

. . . Charles H. Srodes

Day By Day

Aug. 25 — Football and soccer teams commence grunts and groans. Mr. Eaton fatter than ever.
Sept. 1 — Ed Byrnes reports for pre-season.
Sept. 8 — Student body commences grunts and groans.
Sept. 12 — S.S.A. trounces Ligonier under glazed eye of Ward Parshall.
Sept. 20 — Rothenberg reveals illicit romance with A.F.S.
Sept. 21 — Spencer Hirshberg signs up for A.F.S. trip.
Oct. 3 — Soccer Co-Captain Pitcairn breaks nose — 32 girls swoon.
Oct. 11 — Football team beats Cranbrook under lights by a 54 - 0 score. Vulgarity ensues at post-game dance.
Oct. 16 — Bill Schenck wins Curtis Clark Grubby Day award. Ferguson runs a close second with a mud-covered football uniform.
Oct. 21 — Zip Srodes interviews Wesleyan admissions man, gives college an "A" rating.
Nov. 8 — (1:00 P.M.) — Teams complete seasons at Nichols. Soccer team wins 3 - 0 as the Mothmen gain a 58 - 36 victory for an undefeated season.
Nov. 8 — (11:00 P.M.) — First post season party brings thrills and chills at the Aylesboro after hours club.
Nov. 15 — Schumacher holds second post-season blast with a Jim Morris sideshow for entertainment.
Nov. 23 — Croft captures pot contest crown from Ellsworth despite Scott Engroff's near-drowning.
Dec. 6 — Seniors clutch at College Boards.
Dec. 11 — Miss Goodwin goes to National Council of Dieticians meeting.
Dec. 12 — Spam for lunch.
Dec. 19 — Sunbathing, Inc. starts a Shady Side Chapter, as the end of the first term is accompanied by a party of a new and different kind.
Jan. 12 — Seniors retch at College boards.
Jan. 20 — Ellsworth initiates Purgatory games.
Feb. 2 — Ground-hog day.
Feb. 4 — (10:30 P.M.) — Bob McIlrath calls girl friend.
Feb. 4 — (11:30 P.M.) — Mr. Vaux calls cops.
Feb. 5 — (9:00 A.M.) — Mark Aronson calls lawyer.
Feb. 5 — (10:00 A.M.) — Mr. Emrich calls locksmith.
Feb. 6 — Hawk and Witting make a bid for the Publications Prize.
Feb. 7 — Latest tabulation shows that Jimmy Fox, the sly master chemist, leads the faculty probation lottery with eleven students (and still more than half a year to go).
Feb. 12 — Progressive education advances at Shady Side as Senior French class learns French drinking songs as pronunciation drill.
Feb. 25 — Mark Aronson reveals that the ACADEMIAN has an option on the national debt.

Feb. 26 — Administration considers possibility of converting ACADEMIAN money into Teacher Endowment fund.
Mar. 11 — Morewood taunts Ellsworth afterhours. "Thorn" Johnstone is kidnap victim.
Mar. 12 — Morewood boys awake only to find themselves locked in their rooms.
Apr. 1 — Exams end — April Fool.
Apr. 13 — Third term begins — Seniors catch up on their sleep.
Apr. 15 — Duchess announces resignation.
Apr. 16 — Mr. Cook announces resignation.
Apr. 18 — Messrs. Eaton and Ried announce resignation.
Apr. 19 — Messrs. Bonesteel and Hightower announce resignation.
Apr. 25 — Endowment Drive begins for faculty homes and salary increases.
May 2 — New Orleans theme of Prom supplemented by Walt Harper's orchestrations, El Capris' undulations, and Niccolette's halucinations.
May 5 — Margolis ends as he began — a typist for the **News**.
May 8 — Srodes railroads through amendments to the Student Council Constitution.
May 11 — National Imitational Tournament comes to a dismal end.
May 13 — Harvard — Yale — Princeton acceptances arrive.
May 14 — Mike Lieberman chooses affluence with Eli.
May 25 — Ed Byrnes considers college for fun and profit.
May 26 — Gus Schroeder considers going off deep end for fun and profit.
June 1 — Dave Eynon buys Physical Science book.
June 5 — Exams begin, hurly burly ends.
June 12 — Dave Eynon graduates, Arch Woodruff attends Graduation Dance, Hell freezes over.

Student Council

The Student Council, in its second year under the new constitution, experienced a busy but well-organized school year. In the larger of the council's field of endeavor, service to the Academy, all of its previous duties were continued with the addition of a few others. The United Charities Drive was, by tradition, run by the council's Vice-President, Bruce Hill. The drive again went beyond its goal and boasted one hundred percent participation. The introduction of new students into school life was accomplished smoothly by written letters before the opening of the school year and by senior advisors during the first weeks. As in the past, the group took Chapel attendance, but for the first time managed to supply a Chapel service once a week. The members were always available to relieve teachers in the supervising of study halls. In its second duty as a liaison between faculty and students, the council straightened out any misunderstandings which arose during the year, and managed to obtain some reasonable privileges for the student body.

The Student Council's dream.

Wiegand looks intent as Minister speaks on prayer.

St. Andrew's Society

The St. Andrew's Society is the sole religious organization on campus. It is a non-denominational group with representation by the three major faiths in the school community. The Society is open to students of the fourth, fifth, and sixth form by vote of the members. The primary purpose of the Society is to create an interest in religion and to give the members an opportunity to exchange religious ideas and to hear the opinions of authorities from all denominations.

This year under the direction of faculty advisors the St. Andrew's Society collaborated with the Pittsburgh branch of the National Council for Christians and Jews to hold a conference on Juvenile Delinquency. The conference was held Saturday, April 11, at Shady Side and was attended by members of public and private schools from this area. Mr. Andrew Gotshall of the N.C.C.J. obtained through his organization the services of a wealth of local and national authorities on the subject of Juvenile Delinquency. Among these authorities was the main speaker, Lewis Radelete, former professor of sociology at Notre Dame University. President Weigand commented "In my opinion, the conference was as useful as it was successful."

First Row: Pitcairn (Vice-President), Wiegand (President), Rothenberg (Secretary-Treasurer), Lieberman, Engroff, Hirshberg. *Second Row:* Hill, B., Knight, Shuman, Harford, Ruffner, Finegold. *Third Row:* Hawk, Goldman, Johnstone, Bregenser, Srodes, McClain. *Fourth Row:* Starz, Wycoff, Cass, McArthur, McIlrath, Leezer, S., Hamilton, Muller, Martha, Todd, T., Henninger, Morris, Messer, Crawford. *Back Row:* Nicolette, Taylor, Emrich, Duff, Miller, McC., Carson, Margolis, Jacobs, Schroeder, Parshall, Mr. Mann (Adviser).

Front Row: Lieberman, Pitcairn, Srodes, Morris. *Back Row:* Hill, B., McClain, Rothenberg, Wycoff.

Sargon Society

In 1922 Shady Side's student council began the Sargon Society to replace two secret fraternities, the Delta Pi and the Delta Phi Delta, which had begun in 1895. The name Sargon is that of the Assyrian king famous for the Babylonian captivity; the reason behind this choice of name is open to question. At first the club was elective with letter winners, house officers, and all club presidents eligible for nomination. In 1927 "Cap" Palmer, Shady Side's renowned athletic director, assumed direction of the student-run group and initiated several services to the school which the society has since discontinued. By 1935 boys were being tapped for scholastic achievement; and a few years later the majority of each senior class was in the society. Through the years, however, the restrictions were made tougher and classroom successes were excluded from the list of Sargon qualities. Today membership is based primarily on a point system in which athletic letters and various extra-curricular positions make the student eligible. The exact system of selection is known only to members so to just what extent the fraternity members might personally select candidates is a matter of conjecture. Although the society is theoretically supposed to aid the athletic department, today it is completely honorary.

The High and the Mighty

Members inducted at graduation: Goldman, Morris, Lieberman, Woodruff, Duff, Srodes, Cass. (Missing from picture: Anthony.)

Cum Laude

The Cum Laude Society at Shady Side is just one chapter of a nation-wide organization consisting of nearly two-hundred secondary schools. The sole purpose of the society since its beginning in 1906 has been to give recognition to scholastic achievement on the secondary school level. Membership requirements for the society are determined by the chartered school in the case of students. Members of secondary school faculties, however, if they have made a Phi Beta Kappa rating in college may be admitted.

The Shady Side chapter was chartered in 1929 and since then has taken in some two hundred forty-five members. There are eleven faculty and ex-faculty members active in the chapter today. At Shady Side the upper fifth of the graduating class is eligible for membership. Usually no boy is admitted with an average less than eighty for all of his subjects. This average is taken only from the junior and senior years. As a rule a few boys, whose marks indicate that they will be admitted to the society without question, are taken in early in the spring term. Any other students qualifying are admitted at the graduation exercises.

Members inducted in spring ceremony: Wiegand, Rothenberg, McClain.

Gargoyle Society

The Gargoyle Society, the school's only dramatic organization, experienced a much fuller year than it had in recent years. The members, intent on making the group more active, resumed the old practice of presenting a small production preceding the club's big yearly play. The members selected the one-act play, *Brains,* by Martin Flavin. Members Crawford, McClain, and Schumacher handled the three parts in the presentation. For its main endeavor the society attempted a very difficult and subtle play, *The Empty Chair* by Peter Ustinov. The play had been selected on the basis of the favorable impression it made in its fall television presentation; it had never been given in its entirety on an American stage. The background of the play was the French Revolution; and the characters, the men who governed France as the terror finally ended. Crawford, Mc Clain and Leezer, a newcomer to the society, captured the longer male parts. The five female parts were filled by girls from Winchester-Thurston. Later in the spring the Gargoyle members reciprocated by taking part in a play given by the dramatic club of Winchester. After the school year the society held its annual picnic on the country property of one of the members.

Shuman the ham.

Forum

The Forum is the only discussion group on campus open to all forms in the Senior School. The only requirement for membership is regular attendance at meetings. The group meets bi-weekly in alternation with the St. Andrew's Society discussing topics of common interest.

At the beginning of each year, at an organizational meeting, the students are given a list of several topics and asked to indicate which ones they would be interested to hear about and which ones they might like to speak about. The elected leaders with the aid of the faculty advisor arrange the year's programs according to this survey. Students are asked to speak at one meeting and an outside authority on the particular subject is invited to give his views at the following meeting. By this method the members can develop interest and opinions on the subject before being exposed to any authoritative information.

Rothenberg confers with Mr. Cook about future speakers.

This year the Forum presented a program on racial segregation with speeches by McCook Miller, John Osterweis, Lee Behrhorst, and a representative of the National Association for the Advance of Colored People. Another pair of meetings dealt with contemporary music featuring Jazz Club members Ward Parshall and John Wetzig followed by the station manager from the Pittsburgh radio station KQV. Later in the year labor-management problems were considered in discussions led by students John Houston, James Perrin, and Doug Hinds. At the next meeting the members heard the opinions of a prominent labor leader.

Debate Team

Surrounded by *U.S. News and World Reports* Fos Goldman avidly (?) prepares for a coming debate.

Debating is a highly competitive activity which requires much of the debaters' time and interest. There is nationwide competition for secondary schools that wish to participate in the debating program. This year most schools co-operated in debating on the topic; "Resolved: that the United States should adopt the essential features of the Russian system of education."

The Debate Club enters teams in competition throughout the Pittsburgh Area. A group of debaters went to the tournament at the University of Pittsburgh Debate Clinic. This session proved very valuable to all who took part. At the Oakmont Debate Tournament, the Shady Side team won one match. Against Allderdice, the Debate team split winning the negative. Later in the season the Debate team traveled to Kiski but came back with a loss. The Debate team then made another trip to the University of Pittsburgh to take part in the Pennsylvania Forensic League Tournament.

Although many students have the natural qualities for debating, there is much preparation required in order to carry on a successful debate. The project starts with the debater reading and gathering information from various books and magazines. He then has to sort out the information which is pertinent to the topic and learn it. Thus prepared, he enters the debate in which he must adapt his information to specific points. All of this effort and discipline makes debating a more profitable activity that informal discussion.

Academian

The ACADEMIAN is the yearbook of Shady Side Academy. Its purposes are to give each student a pictorial record of the school year and to give its workers experience in the fields of editing, art, layout, photography, and business. By offering a composite of all the aspects of school life the ACADEMIAN is probably the most complete representation of Shady Side. The yearbook editors are invariably students who not only have superior concepts of presentation but years of experience working under the editors of past years. The ACADEMIAN of earlier years was a more formal account of the activities of the campus with few innovations from year to year. During the early fifties, however, several changes appeared beginning with the elimination of the traditional navy blue cover. Since this time two faculty advisors have resigned from Shady Side.

This year's staff in an effort to avoid the difficulty which arose when last year's ACADEMIAN's arrived one month late, pushed its deadline schedule further ahead and finished the yearbook shortly after the termination of the school year. Efficiency was the keynote as the editors and their assistants recorded each activity and sports events as it happened, and shortly after sent the material off to the printer.

Carson, Miller, and Hecklinger caught in the act of working?

The Shady Side NEWS, easily one of the most time-consuming activities on campus, is the school's only periodic publication. With the exception of the actual printing, all of the processes in the publications of a newspaper are handled by student staff of the NEWS.

Led by Editor-in-Chief John D. Margolis, the NEWS this year adopted a more professional-looking layout, thus relieving the great areas of grey type frequent in former years. In addition to the improved layout, this year's NEWS saw a more liberal policy concerning feature page content.

In keeping with tradition, Christmas 1958 found a special issue of the NEWS on the NEWSstands. This year the NEWS Board, after discarding such possible titles as "Boozeweek," adopted the significant title "Newsweak." (The issue was a parody of the "Newsweek Magazine," thus the title.)

Always aiming higher, this year the NEWS realized its goal: it moved from quarters in the basement to quarters on the third floor of Ellsworth.

Editor Margolis gets the facts while Shuman and Finegold pound out their stories.

Front Row: Woodruff, A. (Copy Editor), Duff (Editor-in-Chief), Mr. Mead (Advisor). *Back Row:* Cass (Literary Editor), Miller, McC. (Business Manager), Taylor (Art Editor). (Missing from picture: Lieberman (Poetry Editor).

Egerian

The EGERIAN is a literary and art magazine published annually by the students of Shady Side. The only criteria for the acceptance of a contribution are that it be the student's own work and that it be well done. Any student, regardless of his form may have an article printed. The name EGERIAN is taken from that of Egeria, a nymph of Roman mythology who instructed King Numa Pompilius (715-672 B. C.) in the arts, especially religious worship. Thus the namers of the book hoped that it would serve as a teacher for its readers.

This year's EGERIAN came out in mid-April rather than on graduation day. This was done to give the book a better chance for public reception and discussion before the school year ended. For the past few years student apathy has pushed the EGERIAN to the brink of extinction. For this reason other innovations also were integrated into the publication. The beginning of the year saw the announcement of extremely liberal preferred topics. For the first time the EGERIAN board requested students to write rather than waiting for contributions. The articles were laid out in specific sections corresponding to topics and moods instead of the usual unsystematic sequence. This year's edition featured a cover by C. Rickter Taylor depicting the seventy-fifth anniversary of Shady Side and the Pittsburgh Bicentennial and a monologue play by Ward Parshall.

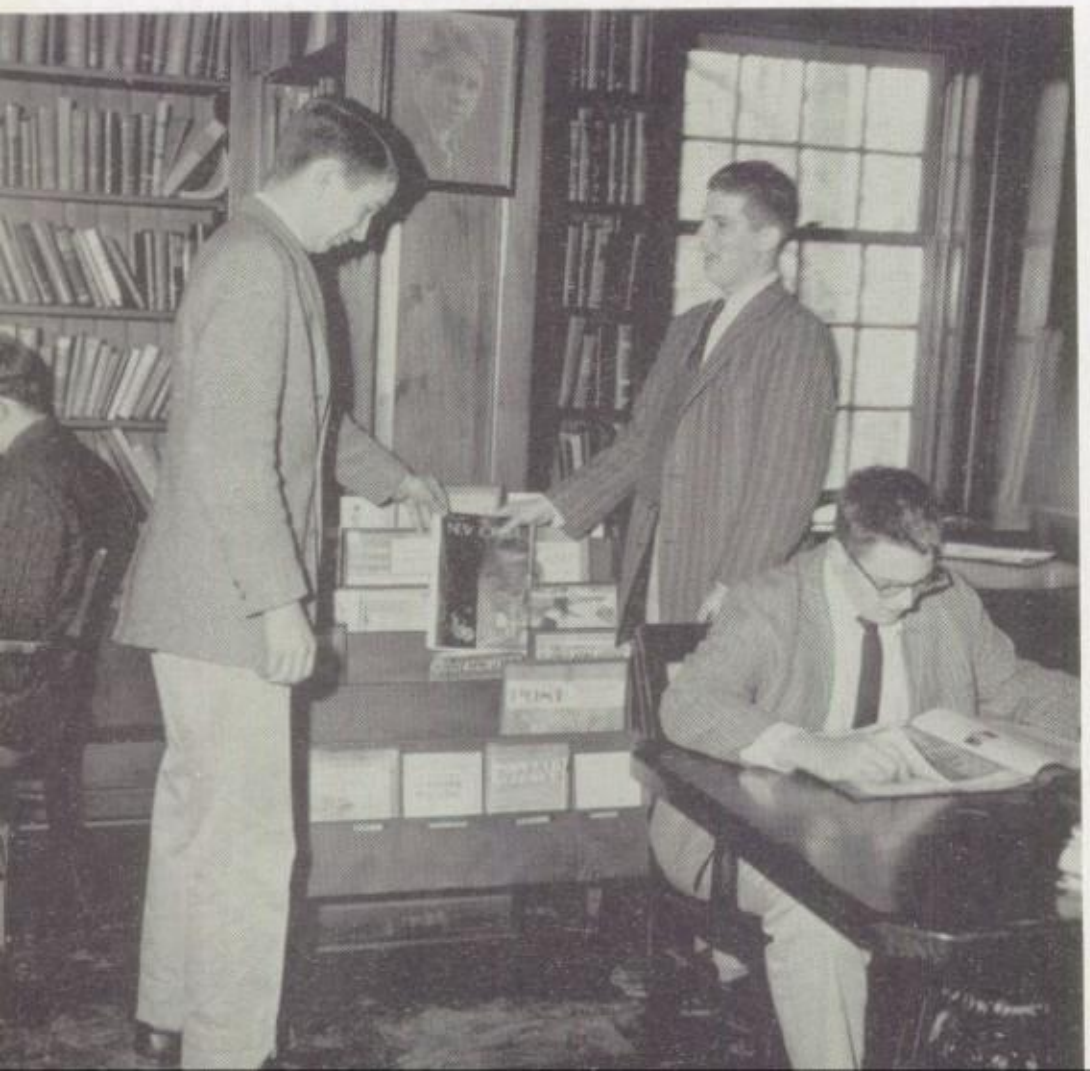
Library Committee

Library Committee intellectuals, Miller and Houston.



The Library Committee was begun in 1940 when the Arnold School merged with Shady Side. Since the combined libraries of the two schools proved sizeable and the schools had no librarian, a committee of students was formed to supervise the lending of books. When Mrs. Botset became the regular librarian in 1944 she asked that the group continue to help with the maintenance of the library. In years past the Library Committee has sponsored a dance, but this has been discontinued owing to the many other yearly dances.

Boys may volunteer for the committee in the last term of their Junior year and serve until the beginning of the last term of their Senior year. As a committee retires from service, Mrs. Botset presents each member with a book of his own choice. These books are usually presented as the climax to an always amusing chapel ceremony. The committee has no officers as it needs none.

Each member serves in the library once a week during one of his free preiods. The work consists simply of arrangement of books, magazines, and catalogues and of various attendance checks for underformers who are permitted to use the library.

Wednesday afternoon with Johnson, Abernathy, and Mr. Thorpe.

Audio-Visual Aids

The Audio-Visual Aids Organization is one of the few clubs on campus whose purpose is primarily service to the school rather than development of skill. The organization maintains and operates all of the school's electrical equipment used for public address and entertainment. This club is in charge of the address systems in the Chapel, in the Dining Hall, and at all sporting events. When public address is used at athletic events the club supplies the announcer. The club handles all of the moving pictures which are shown to the student body. As an additional service the members operate refreshment stands at the fall athletic events. The club is continually being called upon by other groups for aid in their specific projects. The musical clubs require the services of the club in presenting the various concerts. Last year the Gargoyle Society was aided immensely in producing the complicated sound effects for its production of *The Empty Chair*.

In performing these many services the club members receive valuable practical experience in various fields. The necessity of audio-visual aids not only keeps the members busy but keeps them in demand. For this reason the club has relatively few meetings since it is not often necessary to find new projects. Nonetheless meetings are held about once a month in which jobs are assigned and techniques demonstrated. With the guidance of its faculty advisor the group obtains funds from the school administration for the purchase of new equipment.

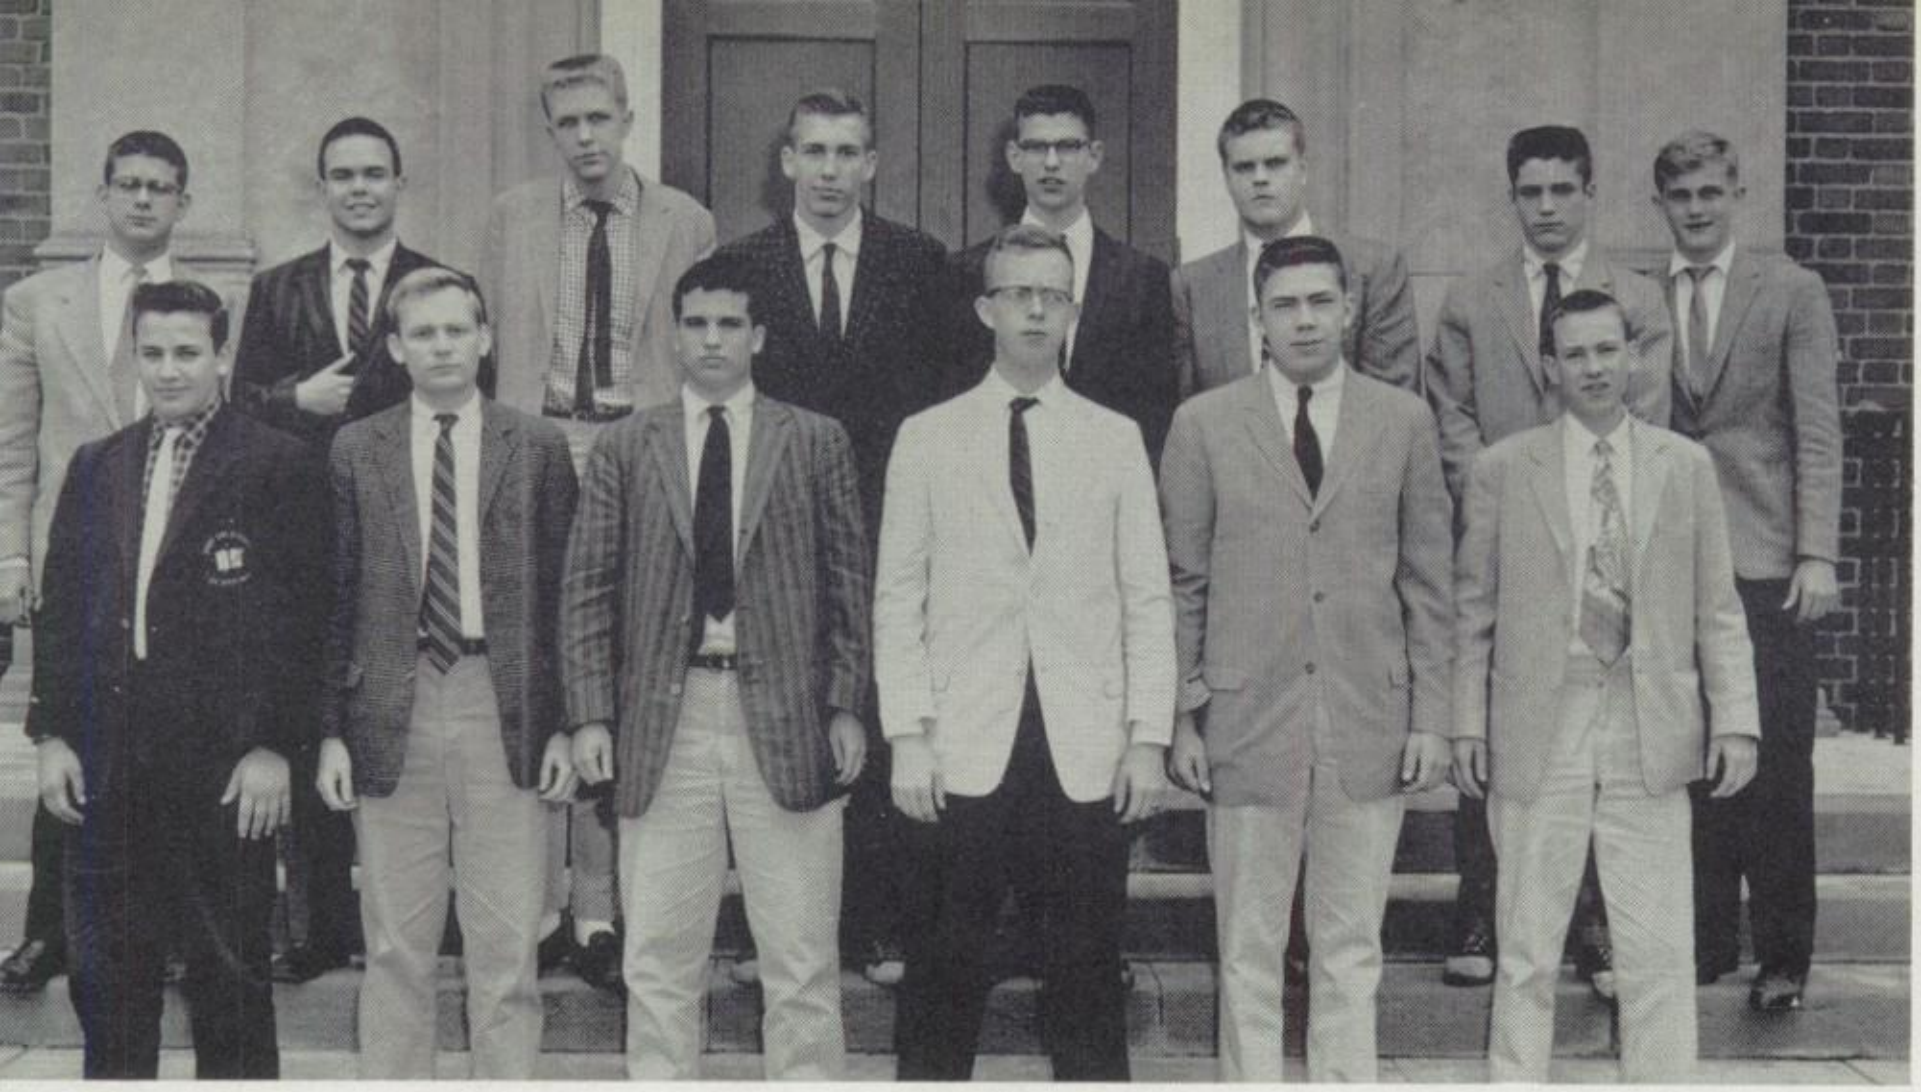
Glee Club

The Glee Club plus Byrnes at Graduation.

The A Cappella Glee Club is Shady Side's only formal singing group. The group holds try-outs every fall and tries to keep its membership between thirty and forty boys. Mr. Schmitt, the director, chooses the members on the basis of these try-outs; a majority of the aspirants are admitted to the club. Rehearsals are held twice weekly, after dinner.

Throughout the fall months the meetings were devoted to preparing several Christmas songs which were presented to the women's club of The First Presbyterian Church in Avonmore and at the annual vesper service in Memorial Hall on the campus. The glee club also led an informal songfest after dinner on the last night of the fall term. The winter term found the group arranging a program for the annual Shady Side-Ellis concert which was held in mid-February. Among the highlights of the concert were Fred Waring's rendition of "The Battle Hymn of the Republic" and the Pittsburgh Bi-Centennial version of "America" sung by the glee clubs of both schools. Later in February the club presented a similar program to the Aspinwall Women's Club. The group concluded its presentations with another complete series of songs at the spring concert given in Memorial Hall.



Front Row: Avner, Parshall, Houston, Emrich, McClain, Craig. *Back Row:* Tarasi, L., Meridith, Hinds, Schmidt, J., Van der Voort, Stubbs, Osthaus, C., Harton.

Concert Band

The Concert Band developed into a solid musical organization during the 1958-59 school year despite the relatively small number of students participating. While no concerts took place during the fall term many boys took individual lessons from the band's director, Mr. Cacese. In the middle of the winter term the band gave its twenty-second annual concert in combination with the Ellis School. The bands selections for this concert "Conroe March," a rendition of "America the Beautiful," and an overture entitled "The Westerner." The Ellis-Shady Side Concert is used to raise money for the American Field Service exchange student program. The Concert Band concluded its two-concert schedule with the annual spring concert held in Memorial Hall.

The Dance Band was organized in 1959 as an auxiliary to the Concert Band. This smaller group mastered several original arrangements of contemporary tunes such as Count Basie's "Jumping at the Woodside" and Benny Goodman's "Flying Home." In addition to its performance at the Shady Side-Ellis Concert the band played at the spring concert along with the Concert Band. It is hoped that this new organization can be continued in future years.

Tom blows a bad horn.

Prewitt, Swartz, Meridith, Wetzig, E., Beeson.

Art Club

Future Picassos?

The Art Club of Shady Side Academy has two major purposes. The first is to further the development of artistic skills among its members. The students may paint with oils, water colors, and tempera paints. They can also work in the crafts of ceramics and metal enameling. Drawing in pastels, charcoal, and ink is also done. The second purpose is to keep the student body interested in, and aware of, current developments in the fields of art. Three activities are sponsored by the Art Club to this end. Each year an original work of art is purchased by the members and placed somewhere on the campus. This purchase is made with money from a fund set up by the Trustees. Trips to the Pittsburgh Plan for Art and to the Carnegie Museum are organized, and encouraged. These trips give many students a chance to see the outstanding exhibitions that are held in Pittsburgh. The largest activity of the Art Club is exhibiting at Shady Side works by Pittsburgh artists. These exhibitions, together with shows by the members of the Club itself are usually placed in Rowe Hall.

The boss men dig the cool sounds of Miles.

Jazz Club

The Jazz Club was begun in 1955 by Dixieland enthusiast George Davis '56 and faculty member William Stewart. The group was devoted simply to the enjoyment of Jazz music during the Wednesday activity periods. The club experienced immediate and unprecedented popularity; and the following year, in an effort to eliminate study hall fugitives from the gatherings, the leaders made membership not only specified but selective. Today only one out of every five boys who apply for membership can be accepted since the phonograph facilities available do not permit large numbers to enjoy the selections played at meetings. The club likes its members to have a sincere interest in jazz and some rudimentary knowledge in one of its many facets. The group now meets throughout the year not just during the winter term. At the meetings a member or two usually present a program study of a particular musician or field of jazz music, based on recordings which the students supply; by the end of the school year nearly every member has given a report or program to the club.

This year the group was asked to contribute speakers to a few organizations. President Ward Parshall and Vice-President John Wetzig spoke to the Forum on modern jazz; later in the year Parshall addressed the Music Appreciation Society on the similarities of jazz and classical music. This year the trend away from Dixieland towards modern jazz continued, most of the members being adherents of the new sounds.

As Hirshberg blocks against Kiski . . . Beeson runs.

Led by co-captains Jeff Starz '59 and Bing Beeson '60 the Shady Side gridders fought their way to one of the most successful football seasons in the history of the Academy. The Indians, coached for the second year by Mr. Bill Eaton, became the first undefeated, untied football team (nine wins and no losses) since 1940. They compiled the amazing total of 296 points while holding the opposition to a mere 70 points. Much of the credit for the Indians success goes to backfield coaches Mr. Hugh Lynch and F. Walter Jones and to assistant line coach Mr. Robert Abercrombie. The fine season was capped as Shady Side beat Nichols to win the undisputed Interstate Prep League football championship.

Shady Side opened its season under the lights at Ligonier as they whipped Ligonier High School 32 - 0. The Indians easily outplayed the Ligonier gridders as they piled up a total yardage of 347 yards to Ligonier's 77 yards.

Traveling to East McKeesport for their next game, the Indians survived a weak first half and came on to win 27 - 0 over East McKeesport High School. Fine defensive play kept East McKeesport in check until the Indian's offense started clicking.

One of the highlights of the season came as Shady Side defeated a high-ranked Oakmont team 33 - 7. Both the defense and the offense played well as Shady Side rolled up 438 yards to Oakmont's 320. Deceptive running by Tom Todd highlighted the game as Todd scored three of Shady's Side's five T.D.'s. It should be noted that the Indians were the only team this year to beat the strong Oakmont gridders.

The following Friday Shady Side hosted Perry High School, one of the city-league teams. Fine defensive play held the Perry offense to a total of 47 yards as the S.S.A. gridders beat Perry 27 - 0. All of the Shady Side scoring came in the second half of the game.

Homecoming fans were treated to the unique feature of seeing S.S.A. play Cranbrook in the first night game in Shady Side's history. Playing well, the Blue and Gold trounced a weak Cranbrook team 56 - 0. The Indians scored heavily in all four quarters scoring 18 points in both the second and fourth quarters.

On October 18th the Shady Side team travelled to University School where they encountered an inspired host team. At half-time the Blue and Gold were leading by the small margin of 14 - 7. There was no

scoring in the third quarter, but U.S. seriously threatened Shady Side's lead in the fourth quarter. U.S. took a S.S.A. kickoff and ran it back for a touchdown to make the score S.S.A. 20 - U.S. 19; but Tom Todd clinched the Indian's victory as he ran the U.S. kickoff back for a T.D. making the final score 20 - 19.

The following Saturday the Blue and Gold met a strong team from Western Reserve Academy. Behind at half-time the S.S.A. gridders scored 24 points in the second half to defeat W.R.A. 24 - 6. On November 1st, Kiski invaded Indian territory only to be beaten 13 - 7. All the scoring took place in the first-half when Martha and Conway both swept the ends for T.D.'s. Salmon added the only extra point of the game for Shady Side.

Going into the Nichol's game on November 8th Shady Side was heading for an undefeated season and a league championship. At ten-thirty S.S.A. took the field and two hours later emerged wih a 58 - 32 victory. Conway led the scoring with an amazing total of 34 points as Martha guided the team to a total of 449 yards. The game also featured the season's only safety as a Nichol's ballcarrier was caught behind the goal-line by Ruffner, Starz and Ferguson in a fine defensive play. Thus Shady Side became the league champions.

Co-captain Jeff Starz was chosen most valuable player. Co-captain Bing Beeson was honored by his team-mates by being elected co-captain for the second time. Junior Ray Conway led the team in scoring with 70 points. He was followed by Todd (60), Beeson (44), and Martha (24).

Shady Side is looking for another successful season next year as it tries for the third permanent leg on the league football trophy. Led by co-captains Bing Beeson '60 and Bob Henninger '60 the team will meet two new foes in Mercersberg Academy and Shaler High School. They will open with Shaler which is a "AA" team. Nineteen lettermen will make up the nucleus of a squad which is hoping for a repeat of this year's fine season.

* Inter-State Prep. League

Wiegand scrambles past a Cranbrook booter.

The 1958 soccer team captained by Roger Wiegand and John Pitcairn encountered a very successful season with a 10 - 1 - 1 record. As in the past the team was coached by Mr. Parker Berg, but this year he was officially assisted for the first time by Dick Kipp '51. The team took third place in the Interstate Preparatory League, and Roger Wiegand was chosen most valuable player for the season.

The team opened the 1958 season on Thursday, September 25, with a decisive victory over Washington Vocational High Schoool. John Gordon and Hank Bergstrom scored the two goals in the first half. On the afternoon of Tuesday, September 30, the soccer team hosted W.P.S.D. Halfbacks Ted Muller, Roger Wiegand, and Sam Leezer blocked most of their fast breaks and continually fed the ball to the Indian line. John Gordon scored one goal; Ramsey Liem scored two goals. The game ended with Shady Side on top of a 3 - 1 score. The team showed its scoring ability on October 2, when it met the Connelley Vocational team. Ramsey Liem scored one goal and both Bergstrom and Gordon scored two. The final score was Shady Side 5, Connelley 0.

The Bergmen traveled to Ellsworth Center on October 7 to play the University of Pittsburgh freshmen. In the second quarter Pitcairn scored, in the third period Gordon scored. The freshmen however, scored two goals thus the game went into overtime. In the first overtime period Wiegand scored and the game ended 3 - 2. That weekend the Indians encountered Cranbrook in the Homecoming game. Playing without the aid of co-captain Pitcairn, the Indians had a slight disadvantage against a physically strong Cranbrook squad.

The defense, especially fullbacks Bill Leezer, Jon Rothenberg, and goalie Drastrup played a fine game even though Cranbrook managed to score a goal and win the game, 0 - 1.

The team came from behind in the fourth quarter to register a 1 - 1 deadlock with University School the next Saturday. The first two quarters saw a seesaw battle; the third, a score from the Preppers left wing. In the fourth quarter the Indians desperately drove downfield for the tying goal. Their efforts were rewarded when Bruce Hill crossed the ball in front of the U.S. goal to Gordon who knocked it past the goalie. Neither team was able to score in the overtimes and the game ended 1 - 1.

Western Reserve Academy was hosted by Shady Side on October 25. The first quarter deadlock was broken when W.R.A. scored on a fast break. The Indians countered again in the third quarter as left inside Pitcairn scored. Since there was no further scoring in the second half two five-minute overtimes were played. At the beginning of the second overtime period, Gordon fired a shot across the entrance of the Pioneer goal to Bruce Hill, who tipped the ball in for the winning goal. The contest ended 2 - 1.

The soccer squad met an inspired Kiski team on November 1. In the first period the Blue and Gold took an early 1 - 0 lead on Pitcairn's goal. Bergstrom tallied Shady Side's second quarter score on a cross from wing John Gordon. A Kiski forward took advantage of a scramble in front of the Shady Side goal and scored to whittle the Shady Side lead to only 2 - 1 at halftime. In the second half John Gordon scored two goals and Hank Bergstrom one thus ending: Shady Side 5, Kiski 1.

The squad finished the season with a decisive victory over Nichols School of Buffalo. In the second quarter Pitcairn scored. Although the Indians continued to press hard, they were unable to score again; and the half ended 1 - 0. Pitcairn scored in the second half when he tapped Bruce Hill's cross into the goal. In the last three minutes of the contest Pitcairn trapped a pass from left halfback Marks and scored his third goal of the game. Shady Side won 3 - 0 to end the fall campaign.

Next year's team will be captained by John Gordon '60 who was the high scorer for both the '57 and '58 seasons. With six returning lettermen the team hopes to continue the tradition of excellence in soccer that was developed at S.S.A.

Varsity Basketball

The Shady Side Academy varsity basketball team with six returning lettermen and captained by Carl Srodes had a very good year with eighteen wins and five losses. This record betters last year's one of sixteen and six. The team also won the Interstate Preparatory League trophy for the second consecutive year with another 4 - 0 record.

The Shady Side club opened their first game at home with Bellevue High School which was no match for the home team. The next two with Shaler and Edgewood were tough home games. The Indians had lost these two games last year but now won both. December twenty-seventh the varsity five played the Alumni team headed by former stars, Kirkpatrick and Eckhardt. The game was rather slow but the hoopsters pulled through with their sixth straight win of the season. But December thirteenth, an all junior team from South Hills Catholic headed by 6' 4" Joe Quinn came and, although Shady Side led in all of the first three quarters, the Knights from South Hills triumphed, 60 - 55 In the first game after Christmas vacation the varsity basketballers lost to a revengeful Edgewood team on the latter's court. A little disheartened, but far from defeated, the team began to play their ninth game of the season against the strong Carnegie Tech Freshmen. Shady Side had the lead at the half 24 - 16, but during the third quarter the Tech Frosh brought the score to 39 - 39. The game remained close for the remaining eight minutes and with seconds to go Paul Martha broke a 56 - 56 tie to give Shady Side the win. The following game with the Tech Frosh at the Tech campus saw the Frosh team get back at Shady Side. After a rough victory at Oakmont the Shady Side team welcomed Mercersburg Academy back into the school's athletic picture by defeating its team 58 - 47. With the first league game not far off, the basketball team set down Gilmour Academy and Kiski and went into the league competition with a twelve and three record.

February seventh Shady Side opened their first league contest at night with Cranbrook. With Rufe Blocksidge's 27 points, the team, after getting off to a slow start, defeated Cranbrook 58 - 49. Saturday the fourteenth Nichols, the team to beat in the league,

Mr. Jones
Coach

Carl Srodes
Captain

Tom Nash
Manager

arrived on the campus. The game was close with Shady Side out front at the end of the first quarter, Nichols at the half; and the game tied at the end of the third quarter, 40 - 40. Headed again by Blocksidge's 25 points and with some fine clutch shooting on the part of others, the team defeated Nichols. Shady Side played the perennially good North Catholic club and lost a very discouraging game 99 - 69. The team then traveled to Western Reserve Academy where, at the beginning of the game, it looked like an easy victory for Shady Side. But with the accurate shooting of their center, Coffin, who had 29 points, the W.R.A. team tied the Indians at the finish of the third quarter, 55 - 55. But again, with some clutch shooting. S.S.A. was victorious. On the following Tuesday, Shady Side was defeated for the second time in the season by South Hills Catholic; but the Indians bounced back to trim a weak Kiski team. Closing out the season with University School the team ran up ninety-nine hard earned points, led by Blocksidge, Martha, Salmon, and Srodes, who scored 30, 20, 19, and 12 points respectively. Thus ended a very successful year, and the last game for Carl Srodes, Ken Salmon, John Pitcarin, and Jon Rothenberg.

Two of Coach Jones' players broke the school's all time seasonal scoring record of 289 points held by Robert Kirkpatrick, '56. Rufus Blocksidge had 385 points and Paul Martha, 327 points. The most accurate shooting was by Martha who had forty-five percent efficiency from the field. Martha was also awarded the most foul shots, 97. The most valuable player trophy went to Conway.

The team's lack of height (no starter over 6'1") necessitated very accurate shooting combined with more careful court tactics. On defense the Indians usually used a tight man-for-man and occasionally pressed the opponent in the back court. The pattern of picks and screens, often abandoned for hit-or-miss shooting, was used much more extensively, especially when the team was under pressure.

Next year's team will have four returning lettermen — Blocksidge, Chwerchak, Conway, and Martha. Selected to be captain for the 59-60 season was Ray Conway.

Inexperience and bad luck plagued the wrestling team this year as it compiled a three and nine record. Several individual wrestlers, however, did very well for the year. Leo Criep finished with a 7-0-1 record to become the first undefeated wrestler at Shady Side for several years. Scott Engroff posted a 6-2 record against very tough competition. His performance was regarded as one of the most consistent on the team. Ed Lawrence managed a record of 10-2 and scored the most points for the team. Rick Taylor, a first year man, showed the most improvement through the season and posted a 6-2 record.

Bill Bates, wrestling varsity for his first year, ran into trouble in city competition but fared much better in the League. Bill Klingensmith, another first year man, improved steadily and will be a dependable wrestler next year. Senior Tom Anthony wrestled above his natural weight several times in order to help the team. Although he lost several matches, Tom pulled some impressive upsets over bigger boys. Grant Stewart and George Milligan, both of whom wrestled a majority of the matches, will be key links in next year's team. John Allen and Alan Hawk wrestled well throughout the season and gathered valuable experience for future seasons. Sophomore Al Pfeltz wrestling heavy weight in the League did a note-worthy job at a weight disadvantage.

The team as a whole, nevertheless, had a discouraging season. After five consecutive losses to North Allegheny, Munhall, Mt. Lebanon, Shaler, and West View the Indians posted a decisive win over Jeannette. The next weekend the team traveled to Cranbrook where it gained its first and only league win. After losing to Carnegie the Indians rode to Reserve where they lost a close match 17-15. Wrestling West View for the second time, individual grapplers showed remarkable improvement, but the team lost again. The matmen gained their third victory of the season by easily beating Kiski. The season ended after University School defeated Shady Side to cap the League Wrestling championship.

Although the team was not successful pointwise this year, the spirit was there; and the improvement made will serve as a firm foundation for next year. Mike Liberman, the team captain, was unable to wrestle most of the season because of a twice-broken index finger. Nonetheless his influence on the team was great—on the mat and off. Awards this year were won by Junior Ed Lawrence, most valuable wrestler, and Senior Rick Taylor, most improved wrestler.

It is hoped that, this year's mistakes will profit next year's team. With only two wrestlers leaving, Shady Side will bring forth practically the same team next year. The eleven returning lettermen are Leo Criep, Scott Engroff, Steve Clare, Bill Bates, captain-elect Ed Lawrence, Bill Klingensmith, Grant Stewart, George Milligan, John Allen, Alan Hawk, and Al Pfeltz. From this group a much improved record is expected by coaches Eaton and Treese.

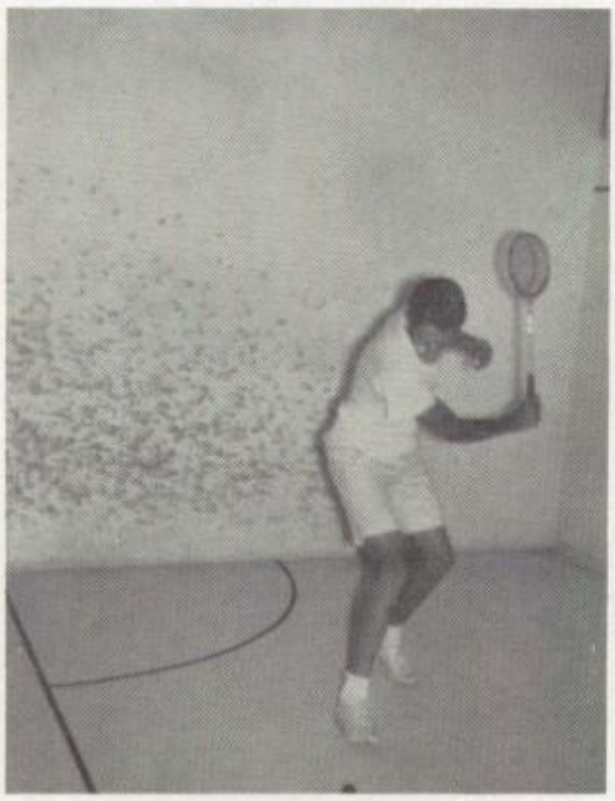
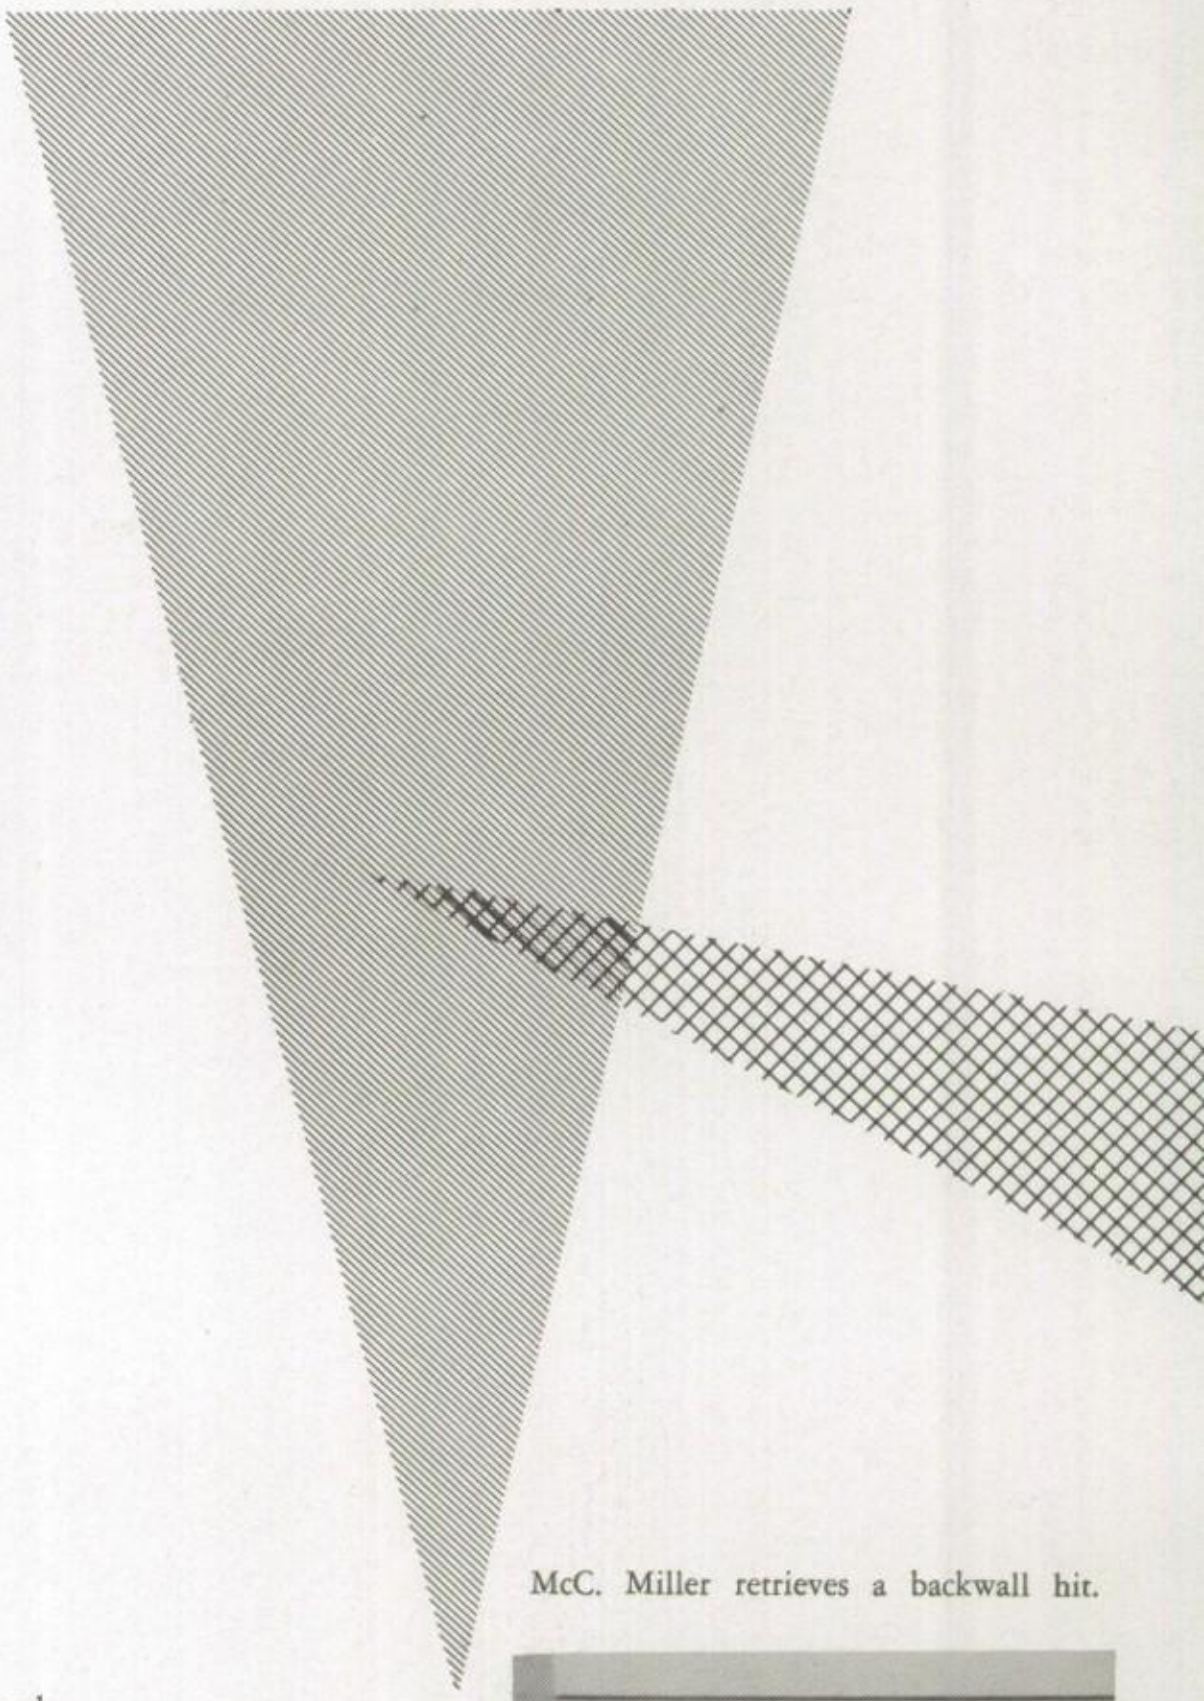
Varsity Squash



J. Miller returns a backhand shot.



McC. Miller retrieves a backwall hit.

Under the guiding leadership of Captain Cook Miller, the varsity squash team finished the season with a creditable 31 and 39 record. The squad competed in the eight-team Pittsburgh "C" League this year. Often facing older, more experienced teams, the squad nevertheless managed to provide rugged competition, By far, the roughest matches were against capable Y.M.C.A. and Y.M.H.A. teams. Shady Side was able to trounce the Junior Champions twice and shut out the Pitt Freshmen and P.A.A. once. McC. Miller, J. Miller, and D. Stone, who had the best record, played at first, second, and third positions respectively. R. Hamilton, E. Byrnes, S. Hirshberg, and J. Haskell vied for the last two places.

* Inter-State Prep. League

Conway makes for first base.

The varsity baseball team of 1959 at the beginning of its season had high hopes of taking the Interstate-League Championship. With seven returning lettermen led by Captain Ken Salmon, Mr. Follansbee and Mr. Thorpe greatly anticipated the opening game. After the first few games Mr. Follansbee settled upon the lineup of Chick Chwerchak, catcher; Ray Conway, first base; Carl Srodes, second base; Paul Martha, shortstop; Rufus Blocksidge, third base; Bill McCardle, left field; John Pitcairn ,and Ken Salmon, center field, and Jeff Starz, Kent McArthur and Tom Todd in right field. Most of the pitching was done by Salmon and Pitcairn.

The season started very well as Ken Salmon pitched Shady Side to a no-hit, no-run, 3 - 0 victory over Peabody High School. The squad kept up their winning ways with victories over Shaler and Munhall which incidentally was the W.P.I.A.L. Champion in 1959. John Pitcairn then lost a tough decision to a good Pitt Frosh team by the score of 2 to 1. The team got back in the win-ledger with well-played wins over North Catholic 4 - 3 and Kiski 5 - 4.

The Indians got off to a good start in the Interstate Preparatory School League by beating out Western Reserve 6 to 0. Ken Salmon gave only three hits to the frustated Western Reserve batsmen. Shady Side had a little trouble in the next two games losing to the Pitt Frosh again 3 to 1 and to South Catholic High School 6 to 3.

In the second league game, Shady Side played Nichols at Buffalo and came out in the long end of a 4 - 1 score as Jeff Starz cracked a vicious home run over the Nichols centerfielder's head. Etna High School, Braddock and Kiski were the next S.S.A. victims as the Indians saw Ken Salmon throw his second no-hitter of the season against Braddock.

In the third league game at University School Shady Side had high hopes of wrapping up the league title. Due to rain in the first trip to Cleveland the S.S.A. players had to return on a week day. The team lost the game and what proved to be the league title to University School by a score of 2 - 1.

The Indians next dropped a tough game to North Catholic as John Pitcairn struck out twelve batters yet lost 1 - 0. The Indians lost another tough game to Peabody 2 - 1 before closing out the season by beating Cranbrook 8 - 7 in a wildly played game that S.S.A. won in the 11th inning.

Shady Side finished the season with an 11 won 6 lost record and a second place in the Interstate Preparatory School League. The bright spots of the season were Salmon's pitching, Blocksidge's, Chwerchak's, and Martha's timely hitting and John Pitcairn's fine defensive playing in center field. The most valuable player was Ken Salmon. Next year's team will have six lettermen led by Captain Paul Martha, for what is hoped will be a very favorable season.

Varsity Track

Led by co-captains Bing Beeson and Ed Byrnes the Varsity Track Team compiled a respectable five and five record in dual and triangular meets. The team was coached by head coach F. Walter Jones, Anthony Botti, and William Eaton. Having lost many members of last year's winning team, Mr. Jones had much rebuilding to do in many of the events. The nucleus of the team was made up of a handful of lettermen from last year which was aided by several new students and freshmen.

Shady Side's first meet was at Cannonsburg where they participated in the relays. The runners came out with a three-way tie for sixteenth among a field of twenty-one teams. Bing Beeson took second in the pole vault; Hank Bergstrom ran fifth in the high hurdles; and Glen Derby placed fifth in the discus. The three gave Shady Side six points which was not bad considering that five events were not entered.

On April 20 Shady Side met Hampton High School at home. The track was fast and the Indians defeated Hampton 83 to 25. Co-captain Beeson reset the school record with an 11' 5¾" pole vault. On Saturday, April 25, the team competed in the Western Reserve Relays placing eighth out of twelve teams. On Friday, May 1, the Indians participated in the Mount Lebanon Invitational Tournament. On May 15th the University School team came to Shady Side and beat the Indians 76 - 42. The preview of the Inter-state was not encouraging, but the team in the remaining weeks of the season. Shady Side played host to Peabody and North Hills in a triangular meet on May 19th. The track was wet and the wind was blowing against the runners. Nevertheless co-captain Byrnes broke the low hurdles record with a time of 20.8 seconds. The final score was S.S.A. 60½, North Hills 44, Peabody 43½. The team won the last two dual meets defeating Turtle Creek 89 - 24 and Kiski 65 - 53. Heavy rains and a soft track made running difficult for both meets.

On May 30th Shady Side travelled to University School to run in the Inter-state track meet. Shady Side placed fourth with 34 points, one point behind Western Reserve Academy. The highlight of the competition was Bing Beeson's pole vaulting duel with Bob Potter of Western Reserve. Beeson won with a new

Head Coach

Interstate and school record of 12' 6½". Co-captain Byrnes placed fifth in the low hurdles equalling his own record of 20.8 seconds. Glen Derby placed second in both the shot put and the discus. The mile relay team came in second, and the 880-relay team third. The rest of the Indians' points came from various third, fourth, and fifth places.

The most valuable player on this year's team was Glen Derby who broke the unofficial scoring record with 109 points beating Jim Weschler '58 by one point. Only a sophomore, Derby placed consistently in the shot, discus, high jump, and broad jump. Major scorers included Byrnes 80, Beeson 80, Bergstrom 70, Hecklinger, 43, Henninger 39, Schmitt 34, Nicholson 26, Zener 24, Hill 20, Liem 12, and Bardonner 12, team points.

Next year's team wil have six returning lettermen and will be captained by Hank Bergstrom.

Osterweis and Sam Leezer lead the herd in the mile run.

The Varsity Tennis Team coached by Mr. Gregory and captained by Roger Wiegand finished the season with eleven wins, four losses and one tie, a slightly better record than last year.

The outstanding player on the team was Roger Wiegand who is the only first singles player to attain a perfect record since Mr. Gregory became coach in 1953. His hard, steady serve; forceful ground strokes; and responsive net game helped him to achieve a 34 - 5 four-year record. George Cass, playing at second singles for the major part of the season, improved his record over that of last year by managing ten wins and four losses. His erratic play, however, lessened his effectiveness against League opponents. Playing at third singles was John Haskell who improved tremendously over last year. He overcame his inflamability to achieve an excellent 12 - 2 record. Coach Gregory continually switched his doubles teams trying to come up with a winning combination. Jordy Miller at number 4 position played first doubles throughout the year. Steady but hard hitting, this promising sophomore finished with a 10 - 7 record. Squash convert Cookie Miller and Ward Parshall at number five and six positions respectively played a respectable game throughout the year. George Harton and Louis Golomb vied for the last position. Talented newcomer Tim Lynch fluctuated throughout the order but managed to garner only one victory out of eleven tries.

The team finished last in League competition, failing to win a match although all of them were close. The Indians opened the League season by losing to Western Reserve whom they had defeated the previous year. In this match Wiegand at first singles and Cass and Jordy Miller at first doubles were the only winners. Haskell lost in a tough match 8 - 6, 6 - 2. The next week the team travelled to Buffalo where it met Nichols. There Wiegand won 6 - 0, 6 - 2; Cass lost 8 - 6, 6 - 4; and Haskell played one of his best games winning 6 - 1, 6 - 4. Both doubles teams lost leaving the score 3 - 2. Two weeks later, the netters played at University School only to have the game postponed until the following Monday because of rain. On Monday, the team suffered its worst defeat of the season to the U.S. champions with only Wiegand winning. Meeting Cranbrook at home for the last match of the season S.S.A. lost again by a 3 - 2 score. Wiegand and Haskell at first and third singles were the winners. The two returning lettermen, John Haskell and Jordy Miller were elected co-captains for next year.

Sub-Varsity Tennis

Mr. Vaux (Coach), Ruffner, Kennedy, Prewitt, Hirshberg, McCamey, G. Trees, Malone, Mr. Abercrombie (Head Coach).

Varsity Golf

Spencer Hirshberg
Captain

Mr. Abercrombie
Head Coach

Fearing a weak squad at the beginning of the season, the varsity golf team was forced to work hard all season. Their efforts as well as those of Mr. Abercrombie and Mr. Vaux, the coaches, proved to be sufficient as the team ended up with an 8 - 4 record. Captain Spencer Hirshberg and sophomore Jim Malone fought all season long for the number one position, but Hirshberg finally ended up low-medalist for the year.

The team started out very well by handily defeating North Catholic 11 - 5, but was only able to score one point against powerful Penn Hills. The team snapped back to take North Hills and Kiski, 14½ - 1½ and 10 - 6. Facing Penn Hills again, the varsity 5 were outplayed as the Penn Hills team averaged 80 strokes per man and gained 15½ out of the possible 16 points North Catholic was downed again and the biggest win of the season was registered against a good Pitt freshman team who were beaten 12½ - 3½. North Hills and Wilkensburg both fell before the strengthened team, but the squad lost two hard matches to Kiski and the Pitt frosh in rematches. Seniors Kennedy and Ruffner, as well as sophomore George Trees and freshman Randy McCamey, were all instrumental in the good showing of this year's golf team. Next year's team will be captained by Jim Malone.

It pays to be at the center of things

The many services that a bank performs require the talents of a surprising variety of personnel, aside from those with the obviously logical background of financial training. Your education may very well be the perfect background for one of the more than 20 well-paying positions in a bank.

One of every five and a half banking employees is an officer. A greater portion of graduates who pursue a banking career attain the $7500 to $10,000 per year bracket than those in any other business. These statistics apply in many cases to both men and women in banking, since 10% of banking officials are women.

Banking is out ahead of most other fields in the important matter of fringe benefits. The average bank employee receives an additional $24 in fringe benefits for every $100 in salary.

A career in banking offers the opportunity to further your education if you so desire. Many banks offer free courses in money, credit, banking, economics, and other allied subjects.

Banking is a profession of prestige and respect. Few fields offer the college graduate such opportunities. Look ahead, weighing your talents and ambitions, and then answer this question:

What about a banking career... for you?

IT'S A FACT!

There are more than thirty

MURPHY STORES in the greater

Pittsburgh area to serve you!

Regardless of the section in which you live, you are sure to find a MURPHY'S close by. Further, you are sure to find everything young students desire; hobbies to fads. A really complete Music Department, too, with all the popular "hits."

ROCKWELL-BUILT

DELTA POWER TOOLS

. . . here's why

SAFE — Built-in safety features assure full student protection, prevent damage to tool. SIMPLE — Simplicity of design makes Delta tools remarkably easy to operate. Students learn quickly, need minimum instruction. PRACTICAL — Delta, world's most complete line — 53 machines, 240 models, over 1300 accessories — provides the **right** tool for teaching **every** wood and metalworking operation. And these are the same versatile Delta tools so widely used throughout industry — an important reason for training students on Delta tools **now!**

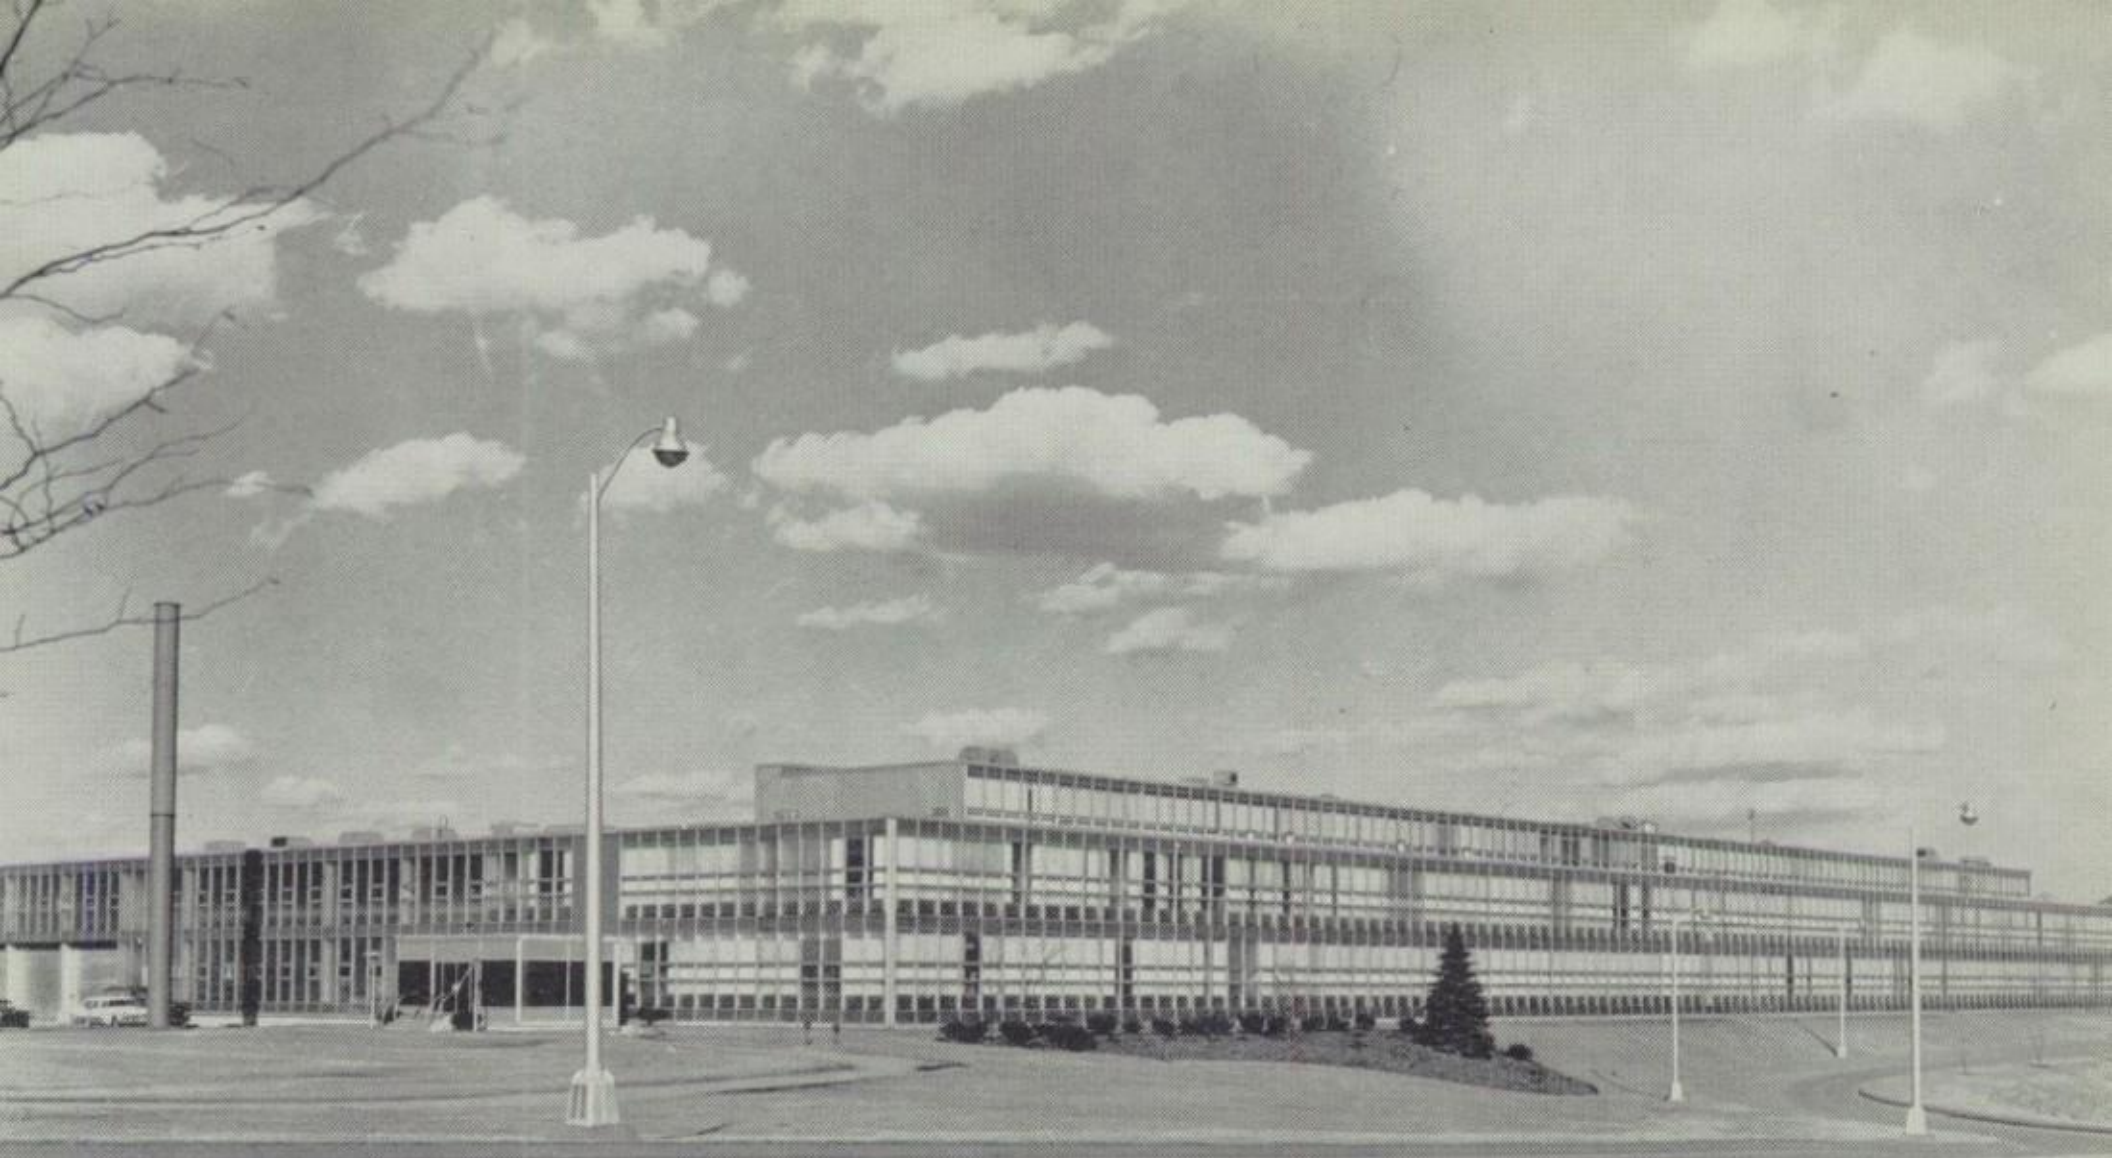
THE SHADY SIDE NEWS



GLASS RESEARCH CENTER

Our congratulations to each member of the graduating class, and our encouragement to the undergraduates, with the hope that those of you who have an aptitude for science will pursue scientific study.

America will outgrow neither its need for competent scientists who can make Dreams become Realities through Research, nor its need for scientifically informed managers who can weld these realities into Progress.
